Parent Leadership Training Institute's Mission

Our mission seeks to enable parents to become leading advocates for children. Parent' opinions are often unheard.. They lack advocacy skills, but not the motivation or will to change their children's lives. The PLTI teaches parents how to become practiced change agents for the next generation. The institute also works with Program and initiatives to facilitate attitudinal change towards parents and to help design systems reform for significant parental involvement.

All donations are tax exempt to the extent allowable by law. PTLT IS A 501(c) 3 Organization (Tax ID 20-5287807)
